

Kent Association For The Blind Romney Marsh Pool League

Important Announcement

Summer AGM has been re-scheduled for the 5th March
Varne Boat Club 8.00pm

I have already received prior notification regarding rule changes to be announced for this Summers AGM and it seems that every AGM the rules we play have to be changed, some rules better for some teams but worse for others.

This years AGM will be different, the agenda will be as follows:

1. Vote on World Rules.

No debate, a simple YES or NO from each team Captain or team representative.

If the answer is YES I suggest we play the Summer League standing alone and consider joining the Romney Marsh & District Pool League for their Winter League 2012/13.

If the answer is NO I will be standing down as Secretary, and the reason being I no longer want to play for a players Pool League with made up rules.

2. Vote on Committee.

If the result is YES then you will have to vote in a new committee, the existing committee members will have the chance to re-stand.

If the result is NO the proceedings will be passed onto the Treasurer. You will then vote on a Chairman and when voted in will take over from the Treasurer. I will be available to help out and advise throughout the evening. If the whole committee stands down and there are no takers for any committee positions the KABRMPL will no longer exist.

My View.

1. You do not have to merge with the RM&DPL.
2. If you do not merge, other teams may join our league.
3. You remain raising monies for the KAB, merger or not.
4. I will update the KAB about any changes concerning this AGM.
5. You will not be able to change the rules.
6. I have been involved with this pool league for 18 years and I now think we need a change.
7. I will not accept any debates or questions regarding the above.
8. I Stay or Go ~ You Change or keep the Rules ~ Easy Vote.

Your Pool League ~ Vote for what is Best for your Team and Pub
