

# **GREATSTONE RESIDENTS ALLIANCE**

21<sup>st</sup> January, 2009.

## **PRESS RELEASE**

The Greatstone Residents Alliance, who recently launched a campaign to secure better facilities for disabled residents and visitors to Greatstone, are pleased to note that Kent Highways have recently started work to either install or refurbish drop-down kerbs at all of the road crossings in Greatstone. This action has resulted from the combination of much hard work put in by local residents and others over an extended period of time, but we would especially like to thank the current Mayor of Lydd, Councillor Vicki Dawson for her support.

The Greatstone Residents Alliance will now be focusing their campaign on improving disabled access to the Beach in Greatstone and Shepway District Council have agreed to work in partnership with our local community to assist us in achieving these aims.

**Acting Chairman**

John A. Commerford, "Moatlands", 64 The Parade, Greatstone, New Romney, Kent, TN28 8SU.
